your Easter clothes!

Easter is the "dress up" day of Spring—"everybody" dresses just as well as he can on Easter Sunday—it's been done every year for years and its going to be done again this season.

You'll find no better way of "dressing up" possible than to order one of our custom tailored, made to measure suits or overcoats.

The clothes will fit you as no other clothes have ever fitted you before—perfectly, precisely, accurately—make you a better dressed man than you've ever been—and provide all these advantages at the same price you've always paid for ordinary clothes.

The fabrics will be of a truly distinctive character woven to order only for custom tailors and not to be had in other lines—you're thus assured that the fabric you choose possesses an uncommon excellence which will demonstrate your good taste and arouse admiration wherever it's worn.

The tailoring will be entirely done by hand—even down to so minute a detail as having the button holes stitched by hand. Hand tailoring hardly requires any praise of ours as a proof of its advantages—well dressed men know how very much hand tailoring means.

You want your Easter clothes to put you at your ease, to stamp you as a man who knows what to wear and what to choose—if you decide upon custom tailored clothes you're sure that you've accomplished all these things. And the clothes take but little time in the making.

Best dressed men will wear clothes made by
The Continental Tailors of Chicago for Easter.
